Order Form cargofleet Service App

Page 2 of 2

cargofleet Service App <small>(Prices are one-time and per end device)</small>	Item no.	Unit price <small>Net in €</small>	Quantity <small>Units</small>	Total price <small>Net in €</small>
cargofleet Service App (license key)	0500036	84,30		
Total one-time price in € (net)				

5 Additional agreements <small>(only valid in accordance with the General Terms and Conditions of idem telematics GmbH, see point 6 Order)</small>

6 Order

Hereby, we order the items mentioned above with obligation to pay.
The license key is device-specific and can only be used once for the activation of the cargofleet Service App on one device. If the cargofleet Service App is activated on a device, it can be used as often as desired.

The Service App is activated as soon as the license key has been entered in the app.
For this purpose, an Internet connection is required on the mobile device (e.g. WLAN).

Customer declaration:

We place the order according to the currently valid price list, the data sheet, and according to the General Terms and Conditions of idem telematics GmbH.

We confirm that we have taken note of the **General Terms and Conditions of idem telematics GmbH** which can be viewed at **www.idemtelematics.com**.
